Mysterious Michigan Trivia

Bigfoot

In March of 2004, the *Mt. Pleasant Morning Sun* published a story about a witness who reported seeing a hairy figure in his yard. Later that night the same person was driving when the hairy figure lunged at his car and crashed into it. Could this have been a sighting of Bigfoot? No one knows for sure, since the hairy figure was never seen again.

Witchie Wolves

The Omer Plains (north of Pinconning) is home to the Witchie Wolves. According to a local Chippewa legend, the Witchie Wolves are invisible spirit dogs that guard the graves of ancient warriors, attacking anyone foolish enough to venture out at night on foot.
