## **Just add snow**

**Bundle up and try these fun winter games!**

### **Rope Tow**

Team up for a slip-sliding variation of tug-of-war. Dig a wide, shallow trench in the snow to serve as the midline. Then, take up positions at the ends of a long rope and let the tugging and towing begin! Whichever team pulls the entire opposing group over to its side of the trench wins.

### **Hat Trick**

Once you've built a plump, frosty snowman to stand sentry in your front yard, try topping him off in style! Take turns trying to land a hat on his head by throwing it Frisbee style from about 10 feet away.

### **Get on a Roll**

Pair up for a contest in which the object is to finish with the biggest snowball. The contest ends when the teams can no longer roll their entries or when you run out of snow.
